

**FOR IMMEDIATE RELEASE**

Quaker Plastics Taps Hendricks

Quaker Plastics, manufacturer of custom thermoforming and extruded products, has tapped the talents of Derrick Hendricks to sell its products in the Northeast region of the US. Mr. Hendricks has been the Northeastern Sales Representative for Cardinal Systems for the past 3 years and is now adding the Quaker product line as a result of Cardinal's recent acquisition of Quaker Plastics. Prior to his role in sales, Mr. Hendricks worked at Cardinal Systems for over 14 years doing customer service, technical support and working with customers at distributor open houses and regional trade shows. Mr. Hendricks will be traveling in the northeastern region supporting existing customers and expanding sales with new customers. To contact Derrick call 570-385-4733.
